

HOSPICE VOLUNTEERS NEEDED

We're looking for compassionate volunteers to offer one-to-one companionship and support to people with a terminal illness and their families. ALC Hospice would not be able to reach those most in need if it was not for the commitment and hard work of our volunteers.

Volunteers provide companionship and emotional support, practical support, short breaks for caregivers and help just by lending an empathetic ear.

HOW YOU CAN HELP

- **Companionship**
- **Socialization**
- **Administrative Duties**
- **And More!**
